DISTRICT OF NEW HAMPSHIRE

Dwayne A. Reddick

v.

05-cv-256-SM

United States  
Department of Justice, et al.

ORDER

Re: Document No. 17, Response re: Report and Recommendations

Ruling: The proposed order is approved as drafted and entered as an order of the court, subject to plaintiff's filing any objection he may have within thirty(30) days of the date of this order. (Plaintiff should understand that his remaining claims are being construed as a motion to set aside the prior forfeiture, that the prior forfeiture will be set aside, that the case will be closed, and that the government will likely begin forfeiture proceedings anew, giving plaintiff proper notice and opportunity to be heard.)
